Do not contract with an unlicensed moving company

- If you move through an unlicensed moving company, it is difficult to compensate for damages.
- **Before signing a moving contract, check 2 things**
 1. Have you got a permit for the cargo car transportation arrangement business?
 2. Do you have cargo liability insurance?
 - **The unlicensed moving companies are not allowed to use commercial trucks of other transport companies.**
If an unlicensed moving company (arranger) uses a ladder truck or truck owned by another transport company or entrusts another transport company to transport cargo, it is an illegal act punishable by imprisonment for up to 2 years or a fine of not more than 20 million won as an illegal brokerage business without a license.
 - **What is Cargo Liability Insurance?**
Forwarders who handle moving cargo are obliged to purchase insurance that compensates for at least 5 million won per case in order to fulfill their obligation to compensate for damages in the event of loss/damage to the cargo.
Unlicensed moving companies may refuse to pay compensation for the loss or damage of cargo.
